

CS 485, Fall 2026

Name: _____

Exercise #1: Preliminary course survey

We'll do this in class. Please turn it in at the front after class. If you'd prefer to write more, feel free to submit a scanned copy to Gradescope when it's available next week.

Welcome! Did you have a good summer? How are you feeling about the semester?

What natural languages do you speak or read? Any that are especially interesting?

Why are you interested in this class? Why are you interested in NLP?

Is there anything else you'd like to tell us? We're looking forward to learning with you this semester!
